

Healthy Mom&Baby Diaper Drive

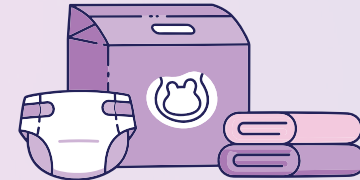

Benefitting Families and Communities Across America

40%

of households in the U.S.
with children under age 4 are
experiencing diaper insecurity*

Local diaper banks help
families if they can't
afford to buy diapers

AWHONN nurses and student members
across the country support their local
communities by hosting diaper drives

**National
Diaper Bank
Network**

Thank you AWHONN Nurses, National Diaper Bank Network,
and Huggies™ for being the core of the Healthy Mom&Baby
Diaper Drive and supporting awareness, donations, and
advocacy that invests in and builds communities.

Diapers donated through
the Healthy Mom&Baby
Diaper Drive are matched
by our exclusive sponsor
